25X1

                     a train of 1 converted boxcar, 8 boxcars and 9 crash cars, which carried military goods for the KVP, passed the Bad Schandau border station on 10 September 1955. The train came from Czechoslovakia and went to the railroad district.

25X1

                     Comment.                      similar shipment on 11 August. The fact that the train included crash cars, tends to indicate that the shipment involved ammunition.
